

FRONT  
Printing area: W115.78" x H98.74"

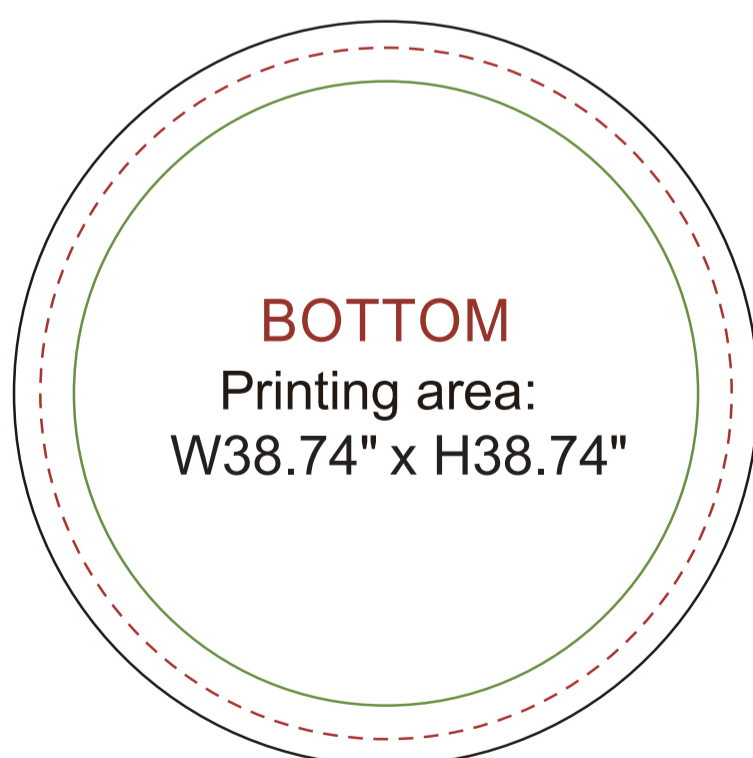

The diagram shows a large rectangle with a solid black outer boundary. Inside it is a dashed red line representing the bleed line. The innermost area is a solid green line representing the printing area. The text 'FRONT' is at the top, and 'Printing area: W115.78" x H98.74"' is centered below it.

Bleed Line —————  
Make sure to extend the background images or colors all the way to the edge of the black outline.

Trim Line - - - - -  
Be aware of Safe visible area & keep important images & text inside this line.(Anything left outside the red box may be cut off during trimming.)

Safe Line —————  
Fold Line —————

The diagram shows a legend for the line types used in the template. It includes a solid black line for the Bleed Line, a dashed red line for the Trim Line, a solid green line for the Safe Line, and a solid red line for the Fold Line. Each line type is accompanied by a short horizontal line segment and a brief description of its function.
